SONOMA Collection

Doors in the Sonoma Collection are made from 16mm compact board.

The material is created by heat pressing 64 layers of resin-soaked sheets of craft paper into a homogeneous sheet. The decorative faces are integral to the sheet.

All edges are solid black.

WINDSWEPT Collection

Door Styles: Louver / Shaker / Slab

Accoya is a sustainable lumber that has been treated with a non-toxic process to be dimensionally stable, resistant to inclement conditions, and repellent to insects.

Finished with an environmentally conscious waterborne coating.

NEO Collection

Modern-clean frames in brushed aluminum and black powder-coated finishes.

✓ All Doors have a 10-Year Warranty
